

### The Ice Bowl - Video Guide

Name: \_\_\_\_\_

1. The temperature at the Ice Bowl was 13 degrees below zero, and the wind chill was almost 50 below zero. As you watch this game, how can you tell that it is so cold?

\_\_\_\_\_

2. Going into the Ice Bowl, the Packers had a lot of injuries to some of their best players. The narrator said that "This was just the tonic the players needed." The "tonic" was the Ice Bowl game. What do you think he meant by that?

\_\_\_\_\_

\_\_\_\_\_

3. The "electric blanket" was used for the first time in the Ice Bowl. What was the "electric blanket"?

\_\_\_\_\_

4. What happened to the whistles the referees were supposed to use in the game?

\_\_\_\_\_

\_\_\_\_\_

5. Because the Packers respected the Cowboys' defense, what did they do?

\_\_\_\_\_

6. What was done so that the players could keep warm on the sidelines?

---

7. Why do you think Coach Lombardi gave the team a "tongue lashing" at halftime? Do you agree or not agree? Please explain.

---

---

8. The Packers were 3 points behind before "The Play." They could have tied the game with a field goal. Why do you think Vince Lombardi decided to take a risk and go for the touchdown instead?

---

---

9. Why do you think the Packers won the game even though Dallas was playing well, they had several players hurt, and of course, the cold, cold weather? How did they do it? Your answer is one reason why the Lombardi Era was so special.

---

---

10. The fans went onto the field after the game. What did they do to celebrate? (Now days, it's against the law to do this)

---

---

11. How did the Cowboys react to losing to the Packers?

---

---
